Sir:

In response to the Restriction Requirement of April 8, 2003, Applicants elect to prosecute species B1/C2 in the above-identified application. Applicants believe that this species reads on Claims 9-16.

With regard to species groups A and D-J, Applicants do not believe that an election is necessary for these groups as these features are not believed to be recited in the elected claims.

Applicants are making this election without prejudice to later filing a divisional application on the non-elected species.

Please also amend the above-identified application as follows:
